Self-Assessment

Please click on the link below to complete a self-assessment questionnaire. Your scores will identify behaviors and beliefs that support your success and will also point out behaviors and beliefs you may want to change to achieve more success in college and life.

The self-assessment is not a test. There are no right or wrong answers. Read the statements carefully and score each one according to how true or false you believe it is about you. To get an accurate picture of yourself, consider what IS true about you (not what you want to be true).

Follow the directions to complete the assessment and email the results to prunge@harford.edu.
